

Matteo Miele

[Watch my introduction video](#) ►

Product & brand designer | working independently across UX/UI & identity.

I am a multidisciplinary product and brand designer with over 10 years of experience in digital marketing. I specialise in helping teams and companies develop meaningful, complex products and craft memorable digital experiences. From concept to launch, I ensure efficiency, quality, and client satisfaction at every stage.

EXPERIENCE

Studio Miele (Self-employed)

Independent Senior Designer & Consultant | Sep 2024 - Present

Independent freelance practice delivering strategic design and UX/UI for startups, agencies, and brands. Leading product design, branding and systems work across digital ecosystems.

CI&T

Senior Product Designer | Jan 2023 - Mar 2024

Led UX/UI design on enterprise platforms in telecom, sustainability and data. Delivered modular systems, responsive interfaces and accessibility-first UX with agile teams.

Somo Global

Senior UI Designer | Nov 2021 - Jan 2023

UI Designer | Jun 2021 - Nov 2021

Started mid-designer, promoted to senior role. Focused on large-scale digital platforms, component-based UI, design systems, mobile-first UX and agile team collaboration.

MVF Global

UI Designer | Nov 2020 - Jun 2021

Enhanced product performance through UX/UI design, CRO strategy, analytics, A/B testing, and conversion-focused interface refinement.

Wiredmark (Freelancer)

Brand Designer | May 2020 - Nov 2020

Rebranded agency with new identity system, responsive website, editorial design, scalable assets and strategic brand positioning.

Passion Digital

UI Designer | May 2018 - May 2020

Designed digital campaigns, websites, and UI systems; led rebranding, motion integration, and UX for healthcare, retail and agency clients.

Ace Digital London

Visual Designer / Front-end Developer | Mar 2017 - Mar 2018

Designed and built responsive WordPress sites, managed UI/UX, frontend code, project stakeholders and development workflows.
